AMENDMENT

Careful consideration has been given to the Official Action of June 29, 2004 and the above amendatory action has been taken to place the application into condition for allowance.

CERTIFICATE OF MAILING (37 CFR 1.8a)

I hereby certify that this paper (along with any paper referred to as being attached or enclosed) is being deposited with the United States Postal Service on the date shown below with sufficient postage as first class mail in an envelope addressed to the: Commissioner of Patents and Trademarks, Washington, D.C. 20231

In this regard, the Examiner has only rejected claims 1-12 on the doctrine of obviousness double-patenting and attached hereto is a Terminal Disclaimer with respect to application 10/022,580 which will overcome the double-patenting rejection.

Accordingly, since there is no other rejection in the Official Action, it is taken that by overcoming the double-patenting rejection the application is now placed into condition for allowance. Early dispatch of the Notice of Allowance would therefore be appreciated.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Julian H. Cohen', is written over a horizontal line.
